Dear Parents and Carers,

Closures

We took the decision to close the school last week due to the challenging weather conditions. Late on Sunday evening we were informed that the water supply to our village and other surrounding villages has been cut-off and were left with no choice but to remain closed. We will continue to monitor the situation closely and will endeavour to inform you of any further disruption through the school website, email and text message service and twitter account.

Year 1 trip

The class are due to go on a trip to Rockingham Castle on Tuesday 6th March. The trip will go ahead as planned even if the rest of the school cannot be open. Parents should bring and collect the year one children at the normal time. Please make sure they all have a packed lunch and appropriate clothing and wellies for the trip.

Staff Development

Congratulations to Mrs Manley who has been awarded the status of Specialist Leader for Education in the teaching of mathematics. This is great recognition for her work both in our school and supporting teachers in other settings.

World Book Day

Unfortunately due to the bad weather we missed our World Book Day celebrations. We will therefore be having our own World Book Day on Friday 9th March. Please can the children bring their pyjamas and onesies in to get changed during the day. Parents who had volunteered to come in to read please can you confirm with the office if you are still able to take part.

Recycling Event

The pupils in year four had a brilliant afternoon working with our visitor from Leicestershire County Council and Pals theatre productions learning all about reduce, reuse and recycle. Thank you to Mrs Bladon for organising.

Open Morning

You are welcome to come and join us for open morning on Wednesday 7th March between 9.30am and 11.30am. The event is open to current and prospective parents, please report to the school office where a tour guide will greet you and show you around the school.

It is important that if your child is unwell you contact school on a daily basis. This can be done via email to admin@churchlangton.leics.sch.uk or on the telephone on option 1 leaving a brief message, your child's name and year group.
