Friday 6th July 2018

Dear Parents and Carers,

Staffing

Congratulations to Mrs Bastock who has been appointed to the role of Deputy Headteacher - Teaching School. This will involve her working on the launch and establishing of Learn-Academies Teaching School of which we are the lead school.

The teaching allocations for 2018/19 have been shared in a separate letter. We are delighted to welcome Miss Noble to Church Langton. Having previously worked at Fleckney CE Primary School, Miss Noble joins us following a period teaching abroad. We are looking forward to her joining the team.

I can confirm that Miss Vents will not be working at the school following the completion of our training course.

Welcome back to Miss Mortimer who has now taken up a full time position as a learning support assistant at our school, having previously worked in a similar part time role in the past.

We have also been very pleased to welcome Mrs Clarke to our team of lunchtime supervisors.

Year 6 trip

The pupils enjoyed a fantastic visit to London. This included a visit to the Houses of Parliament where they met Neil O'Brien, MP for Harborough, Oadby and Wigston. He was very impressed by their questions and the children enjoyed the chance to discuss topical matters. They also visited the House of Commons and House of Lords. Following they devoured lunch at Pizza Express before finishing their visit with a trip on the London Eye.

Year 5 sailing trip

The class had a brilliant day at Rutland Water. They enjoyed learning from the instructors and took on many new experiences. The glorious weather meant that a few wet feet didn't matter too much!

Year 2 trip and assembly

After a very busy term the class enjoyed their trip to Wicksteed Park in Kettering. The group had a great time on the various activities and rides and came back with many stories to share. Some of these featured in their class assembly where they shared many of the elements of their learning this year.

Year 4 trip

The class took part in a great day out to the site of the Battle of Bosworth. The children had many excellent questions and really appreciated the chance to understand where the events took place. They visited the museum to see many artefacts and then re-enacted the battle overlooking the site.
